

IF Bike - New Full sized Folding Bike

Saturday, 12 April 2008

Last Updated Saturday, 05 September 2009

The recent 2008 Taipei Bicycle Show saw the launch of a new full size folding bike design called the IF-bike. Mark Sanders the British bike designer of the renowned Strida(among others) has now joined forces with both Ming Cycles and Pacific Cycles to bring another revolutionary folding bike design. This exciting bike is for the iPod generation, it has a 2 second fold and monoblade mounted wheels.
