Custom Search

We are a unique resource for people interested in the world of folding bikes. Through our enthusiasm and passion we hope to excite you with the latest and greatest developments in the world of folders. In return, we would like to hear from you. We are interested in information on folding bikes, be it reviews, news articles, folding concepts or folding bike travel and tours. You can email us at shayirl@oceanfree.net

We've been online since November 2006 and will be adding many more user site tools & items over the coming months so please do visit us again.

And remember be bike sensible!
